# Information Technology Department Service Priority Levels and Responseimes

### Service Priorityevels

The Media Tech Deskis committed omaking every effort to resolve is substitutine of the service equest fraissuccannot be esolved the time of requesit, will be given a priority level. Requestwill be handled according to the priority assigned to them by the Media Tech Desk.

## Responseimes

Response time mmitments are meant to note the maximum time interval in which the customer will be contacted by tebenician. It is not meant to be an indicator of the problem resolution timeframe. Resolution times will varp dialsed specifics.

## Exceptions

- 1. The Information Technology Department will send out wind wersitify communications when there is a planned system outage. Service requests received after announcements are sent may not be responded to until the outage is over.
- Due to the volume of calls during the opening two weeks of school, during exam
  periods, and other peak votimes, responsimes maybe longer than
  normal Media Techstaff with form requestors anyof these exceptions rein
  effect.

The table book describes	the service pri	iority levels,	priority	description,	example,	and	associated
IT responstimes:	•	-		•			

Priority	Description	Example	IT Response
Level			Time (During
I _			Normal
Emergency	Significant disruptir8
